***New Hampshire RSA 151:21 sets forth the Patients' Bill of Rights which describes the rights and responsibilities of each patient admitted to a New Hampshire care facility. Consistent with RSA 151:21, it is the policy of the Nashua Medical Group that its patients have, as a minimum, the rights noted on the attached page.***

I acknowledge that I have received a copy of the State of New Hampshire RSA 151:21 Bill of Rights.

I have read (or had read to me) the Bill of Rights.

I understand my rights as described in the Bill Of Rights.
